The accessibility of any additional info about you can be controlled through your Steam Community user profile page; data publicly available on your profile page can be accessed automatically through the Steamworks API. Content is considered used if any games within the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts included with the subscription have been played during the current billing cycle or if any benefits or discounts and the current billing cycle or if any benefits or discounts and the current billing cycle or if any benefits or discounts and the current billing cycle or if any benefits or discounts and the current billing cycle or if any benefits or discounts and the current billing cycle or if any benefits and the current billing cycle or if any benefits and the c edit them through the Privacy Dashboard or request the deletion via the Steam support page. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and services shown on the pages of the Steam support page. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and services shown on the pages of the Steam support page. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and services shown on the pages of the Steam support page. 3.7 Content Recommendations We may process information collected under this section 3 so that content, products and services shown on the pages of the Steam support page. 3.7 Content Recommendations We may process information collected under this section 3 so that content page. 3.7 Content Recommendations We may process information collected under this section 3 so that content page. 3.7 Content Recommendations We may process information collected under this section 3 so that content page and the sec meet your needs and populated with relevant recommendations and offers. (Some payment methods available through Steam in your country may not support refunding a purchase back to the original payment method. Finally, you can contact us with a request at questions@valvesoftware.com, however, before providing access to, or deleting any, Personal Data, based on a request received via email, we will need to verify your identity utilizing the "Proof of Ownership" process described at . 5.2 We may also share your Personal Data with our third party service providers that provide customer support services in connection with goods, Content and Services distributed via Steam. Valve makes your Personal Data available in structured HTML format through the Privacy Dashboard as described above. However, please note that Valve is required to retain certain transactional data under statutory commercial and tax law for a period of up to ten (10) years. 5.3 In accordance with internet standards, we may also share certain information (including your IP address and the identification of Steam content delivery network services in connection with Steam. You can opt out or withdraw your consent to receive marketing emails at any time by either withdrawing the consent on the same page where you previously provided it or clicking the "unsubscribe" link provided in every marketing email. After the grace period, Personal Data associated with your account will be deleted subject to section 4. 6.2 Right to Rectification. Refunds on Downloadable Content (Steam store content usable within another game or software application, "DLC") DLC purchased from the Steam store is refundable within fourteen days of purchased, so long as the DLC has not been consumed, modified or transferred. In addition to the publicly available information, game developers and publishers have access to certain information from the Steamworks API directly relating to the users of the games they operate. There are more details below, but even if you fall outside of the refund rules we've described, you can ask for a refund anyway and we'll take a look. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. Furthermore, you can prevent Google's collection and processing of data about your use of the website, by downloading and installing the browser plug-in through the following link: . The Federal Trade Commission has jurisdiction over Valve's compliance with the Privacy Shield Principles. VAC Bans If you have been banned by VAC (the Valve Anti-Cheat system) on a game, you lose the right to refund that game. You may refuse the use of cookies by selecting the appropriate settings on your browser. If we do not address your concern satisfactorily, please contact our U.S.-based third-party dispute resolution provider (free of charge) at . Likewise, we will track your process across our websites and applications to verify that you are not a bot and to optimize our services. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise such rights available to our customers worldwide. These reasons for collecting and processing Personal Data determine and limit what Personal Data we collect and how we use it (section 3. 10. In particular: If you terminate your Steam User Account, your Personal Data will be marked for deletion except to the degree legal requirements or other prevailing legitimate purposes dictate a longer storage. In such event, an arbitration option will be made available to you. Contact Info You can community includes message boards, forums and/or chat areas, where users can exchange ideas and communicate with each other. The use of Cookies is standard on the internet. Other Rights. 6.3. Right to Erasure. 6.6 Right to Personal Data in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller under the conditions set out in article 20 of the GDPR. Refunds on Gifts Unredeemed gifts may be refunded within the standard 14-day/two-hour refund period. Finally, you have a right to not be discriminated against for exercising your rights under the CCPA. Last updated 10 November, 2020 Page 5 You can request a refund for nearly any purchase on Steam—for any reason. This functionality allows you not to lose your account by mistake, because of your loss of your account credentials or due to hacking. Redeemed gifts may be refunded under the same conditions if the gift recipient initiates the refund. "Content-Related Information" includes your Steam Wallet funds or through the same payment method you used to make the purchase. 8.
